

Entry Level Design Engineer

KL Engineering, Inc., a Wisconsin based consulting engineering firm, is accepting resumes for a full-time Entry Level Design Engineer in our Madison office. KL Engineering is an award-winning civil engineering firm located in Madison, Wisconsin with offices in Menomonie, Green Bay and Germantown. We provide our clients with a full range of services that include transportation engineering, planning and design; structural engineering, traffic engineering, site design, parks/trails/recreation design, municipal and utility design, environmental studies; surveying/GIS; construction management; and more.

The qualified candidate will work with engineers on challenging transportation and municipal projects and should possess a Bachelor of Science degree in Civil Engineering, with 0 to 3 years of related experience and successful completion of F.E. Exam or ability to do so within one year. The successful candidate will be performing a variety of tasks while working in a team environment to create infrastructure solutions involving communication and collaboration to offer **[A] Better Experience** to clients and coworkers.

RESPONSIBILITIES

- Perform roadway, drainage and geometric design.
- Prepare plans, specifications, quantities and estimates.
- Perform municipal engineering and construction management tasks.
- Prepare written reports, presentations and project findings.

QUALIFICATIONS

- Successful candidates will have a bachelor's degree in civil engineering or a related field.
- Experience with transportation design/drafting software such as AutoCAD, Civil 3D or MicroStation.
- Proficiency with the MS Office suite of software.
- Good interpersonal and communication skills and ability to work in a collaborative team environment.
- Ability to effectively communicate with clients and colleagues, both verbally and in writing.
- Strong organizational, analytical and time management skills with high level of attention to detail and self-motivated to be successful.
- Previous experience on transportation projects (WisDOT experience a plus).

In addition to career growth potential, we offer an excellent salary and full benefits with a casual working environment.

Current benefits include:

- Paid Holidays & PTO
- Flexible hours
- Medical Insurance
- Dental and Vision Insurance
- Life Insurance
- Long and Short-Term Disability Insurance
- 401K/Profit Sharing Plan
- Section 125 Cafeteria Plan

Please submit resume and cover letter by **October 7, 2019** to:
