

STUDENT CIVIL ENGINEER / TECHNICIAN

Full-time CO-OP / Full-time Summer Intern / Part-time School Year Intern

KL Engineering, Inc. is accepting resumes for a student Engineer / Technician in our Madison office. Our interns benefit from hands-on experience, technical and consulting training, mentorship opportunities and working within a positive team-oriented work environment. **There is the option to consider a full-time CO-OP, full-time summer internship, or a part-time during school year arrangement.** KL Engineering is an award-winning Wisconsin-based civil engineering consulting firm headquartered in Madison, with additional offices in Menomonie, Green Bay, and Germantown. We provide our clients with a full range of services that include transportation engineering, planning and design, structural engineering, traffic engineering, site design, parks/trails/recreation design, municipal and utility design, environmental studies, surveying/GIS, and construction management.

Qualified candidates will be working toward a B.S. in Civil Engineering or an A.S. in Civil Engineering Technology, with interest in or focus on roadway design, traffic engineering, structural engineering, site development, construction management, field survey, and CAD / mapping incorporating various engineering principles in the analysis, design and construction of civil engineering projects. Entry-level knowledge of CAD / Engineering Software is desirable.

Working under the direction of our Project Leaders and Senior Engineers, responsibilities may include traffic counts, traffic analyses, field reviews, CAD drafting, quantity and estimate computations, computer modeling, field survey and miscellaneous design tasks.

Qualifications:

- Excellent verbal and written communication
- Ability to apply technical skills to meet project demands and solve problems for our clients
- Positive attitude and an impressive work ethic
- Clear sense of urgency and self-initiative to meet deadlines
- Attention to details and ability to contribute to a positive work environment
- Passion and demonstrated drive to achieve goals

Please submit resume and cover letter by October 30th to:
