

Full-time Summer Intern - Construction

KL Engineering, Inc. is accepting resumes for a full-time summer student Engineer Intern - Construction in Madison, Wisconsin. Our interns benefit from hands-on experience, technical and consulting training, mentorship opportunities and working within a positive team-oriented work environment. KL Engineering is an award-winning Wisconsin-based civil engineering consulting firm headquartered in Madison, with additional offices in Menomonie, Green Bay, and Germantown. We provide our clients with a full range of services that include transportation engineering, planning and design, structural engineering, traffic engineering, site design, parks/trails/recreation design, municipal and utility design, environmental studies, surveying/GIS, and construction management.

Qualified candidates will be working toward a B.S. in Civil Engineering or an A.S. in Civil Engineering Technology, with experience or interest in design and construction of roadways and traffic engineering. Responsibilities will include construction observation, construction survey, materials testing and project administration. The job assignment is anticipated to be on a roadway construction project located in the Madison, Wisconsin area and the candidate will be working outdoors, on-site at roadway construction project(s). There may be opportunity to occasionally work within one of our other service areas if schedules dictate.

Qualifications:

- Excellent verbal and written communication
- Ability to apply technical skills to meet project demands and solve problems for our clients
- Positive attitude and an impressive work ethic
- Clear sense of urgency and self-initiative to meet deadlines
- Attention to details and ability to contribute to a positive work environment
- Ability to work outdoors in varying weather conditions
- Passion and demonstrated drive to achieve goals

Please submit resume and cover letter by February 19, 2021 to:
